

Elevate the Learning Experience Through Co-Creative Learning Strategies for Multi-Generational Learners (Reflective Notes)

Use the following space as your own learning journal, supporting you in the process of discovery, learning and reflection. Take moments to pause and reflect as you review the learning materials.

Unpacking Your Learning Bag:

- How has your learning experience been?
- What are you learning?
- What is in your learning bag?
- How are you learning today?

The Co-Creative Space:

Co-Creative Learning Approach

Develop and Created by Jeddiah Alex Koh, MCC

- What is Co-Creative Space?
- What does Co-Creative mean to you?
- What are you learning about the Co-Creative Learning Approach?

Co-Creating with Learners of Today's and Tomorrow's

- How are we educating today?
- How do learners perceive learning?
- How can we elevate the learning experience for our learners?

Elevate the Learning Experience Through Co-Creative Learning Strategies for Multi-Generational Learners (Reflective Notes)

Use the following space as your own learning journal, supporting you in the process of discovery, learning and reflection. Take moments to pause and reflect as you review the learning materials.
